BHM KITCHENS

EPIQA

EPIQA

Epic is the telling of eternal stories in endless rows of letters, and our cedar wood pattern does resemble the text of a book we enjoy reading. In addition, the successful imitation of antiquated wood creates a very elegant impression.

IQ THINKS:

An elegant kitchen with an elegant price tag!

BHM KITCHENS

COLORIQA

COLORIQA

A colourful play of warm tones of cherry wood in a captivating pattern evoking a view of a pleasant landscape with many horizons. This feeling-friendly kitchen will never grow ordinary.

IQ COMMENTS:

A pleasant and friendly kitchen. The price is pleasant and friendly too!

BHM KITCHENS

NORDIQ

NORDIQ

Nordic restraint and sense of low-key beauty have come together in this kitchen. Day by day, it will keep you amazed at the kind of positive atmosphere that a modern kitchen can create.

IQ ASSUMES:

A kitchen with a positive charge, affordable for literally anyone thanks to its positive price!

BHM KITCHENS

VIQING

VIQING

A Viking is a mysterious hero who attracts most women and inspires most men. What is also mysterious, daring and attractive is the wood pattern of this kitchen, whose aesthetic impression we have accentuated by the raised relief of the doors.

IQ REMINDS:

Vikings would set sail across the ocean for a price like this!

BHM KITCHENS

PIQTORY / MAJESTIQ

PIQTORY / MAJESTIQ

Pictorialism is an art style perceiving natural scenery as a painting. In this combination of two kitchens, the models PIQTORY and MAJESTIQ, the lava-inspired design meets the majestic pattern of Navarra pine, creating an energy-charged image in every interior.

IQ POINTS OUT:

A striking and modern look at a strikingly low price!

BHM KITCHENS

ETNIQ

Ethnic music starts chiming in our ears at the sight of this exotic pattern of wood tinted like mature tobacco leaves. The harmonious design as well as the quality of material and performance will bring a sense of tranquility and relaxation into every apartment.

IQ ADDS:

At this price, the exotic is neither distant nor unaffordable!

BHM KITCHENS

VIQ TORY

VIQ TORY

In Latin, victor means a winner and this noble oak decor has the potential to win in every interior. That's because it can communicate with the environment and be both timelessly traditional and impressively modern.

IQ ADVISES:

There's no other way of putting it - this is truly affordable luxury!

BHM KITCHENS

IQ ONLY / MUSIQ

Here we combine two independent kitchen models - a white, timeless icon of purity meets the most fashionable tone of purple making us feel as though we're hearing beautiful music. Cooking in this kitchen turns into a concert for a keen audience.

IQ EMPHASIZES:

Timeless beauty should be for everyone; therefore, the price of this kitchen is for everyone, too.

BHM KITCHENS

MYSTIQ

MYSTIQ

The mystical expression of the exotic wenge wood provides a pleasant breath of the extraordinary in each living space. We have accentuated the unique experience of this luxurious design by using state-of-the-art type of surface with raised relief.

IQ EMPHASIZES:

An extraordinary kitchen at an extraordinarily low price!

BHM KITCHENS

ROMANTIQ

ROMANTIQ

Romanticism makes life richer, adding exciting charm to it. In our sensitive concept using a vanilla tone with a cleanly executed milled line, it's romanticism of a decorative and very cosy kind.

IQ NOTICES:

The vanilla kitchen has always been one of the most popular. At this price, it will become a true household favourite!

BHM KITCHENS

PICNIQ

PICNIQ

A picnic with friends at a table under a pear tree or in this kitchen with a pear wood design is always a beautiful memory. The fresh homely style of this kitchen is accentuated by the gentle millwork.

IQ EVALUATES:

It's not only this kitchen that exudes happiness - it's the price, too!

BHM KITCHENS

CLASSIQ

CLASSIQ

A classic pattern of oak wood with the classic and eternally attractive milled line; in other words, classic in the kitchen. However, the technology used with a hint of embossment is modern and encourages indulgent touch.

IQ OBSERVES:

An attractive kitchen design at an unusually attractive price!

BHM KITCHENS

LIMET

IQONY / COLORAMA LIMET

Green and white belong together like a white house to a green garden. This clean and fresh combination will fill your day with natural beauty.

BHM KITCHENS

OCEAN

IQONY / COLORAMA OCEAN

A combination of white and blue is characteristic of traditional Greek architecture. Why not try bringing a bit of refreshing seaside atmosphere into your kitchen?

BHM KITCHENS

MANGO

IQ ONY / COLORAMA **MANGO**

Our bright yellow bustles with invigorating energy, just like the pulp of a ripe, freshly cut mango full of mouthwatering juice.

Measurement

Measure the space for your future kitchen using the following instructions and visit our sales specialists, who will create with you a free design in a 3D programme exactly according to your layout.

In case of your interest, the space for the new kitchen will be measured by our experts.

1. measure the height and width of walls
2. measure the height, width and placement of doors and windows
3. measure the height, width and depth of heating units and other installations

Modules

An extensive modular system of our kitchen furniture will adjust to any space and layout. Moreover, it can be supplemented with various atypical elements according to your personal requirements.

The following overview can help you gain an idea how to build your kitchen from Dolti module. Our specially trained sales specialists will prepare for you a complete 3D design of your kitchen based on the current ergonomic and culinary trends, including price calculation; all this free of charge.

The height of the base cabinets is provided here including the standard 10-centimetre legs and without a worktop. However, the height of the legs and the thickness of the worktop can be chosen from our wide selection so that your kitchen is good to work in.

Dolti enables independent choice of the design of the frame and doors according to personal taste. Even at the lowest price, with Dolti kitchens you are obtaining a product of a high quality and user value with doors 18 mm and 19 mm thick and cabinets containing top-level fittings of prominent world manufacturers Blum, Hettich and Grass, leaders in the field of furniture mechanics.
